What does Rachel Center Do?

Rachel Pregnancy Center is committed to upholding the sanctity of human life while sharing the unconditional love of Jesus Christ.

Who does Rachel Center Help?

Rachel Center provides help to teens, families, single parents, foster parents - **anyone** who has questions about relationships, pregnancy (including unplanned pregnancy), and parenting.

How does Rachel Center Help?

Rachel Center offers physical help through needed supplies AND useful counsel, including alternatives to abortion. Clients are expected to participate in self-improvement classes which include parenting, life skills, and Bible study. Post-abortion counseling is also available. Rachel Center's ministry helps churches fulfill their mission by providing spiritual counsel and helping clients find healing and freedom in Christ.

How can I help?

Rachel Center is supported entirely by financial gifts and donations, and by volunteers who contribute their time and talents. The only way this important ministry can continue is through community support, especially of area churches. Rachel Center needs and depends on YOU.

Most important is prayer for Rachel Center, its staff, its clients, its programs, and its support.
