## Holy Land Art Group:

• For Centuries, Bethlehem Christians have supported their families by carving Olive Wood Religious Art for visiting pilgrims.

However, the conflict in the Holy Land and the decrease in tourism have dropped the percentage of Christians living in the Holy Land from 63% to less than 2%.

- Their mission is to alleviate local poverty and unemployment, decrease emigration, and sustain the Christian handicraft workmanship traditions.
- On the 1<sup>st</sup> and 2<sup>nd</sup> of July Holy Land Art group will be outside promoting their Olive Wood Carvings to support their families in the Holy Land. Kindly stop by their display.

Please join us downstairs for fellowship and delicious refreshments! This is a wonderful opportunity to visit with each other, and get to know other families.

## THANK YOU!

*The family of Squeakie Mitchell wants to thank you all for the help, kind words and support during the last month. We couldn't have done the move without the help of the Knights, and the loving support of our parish family during this difficult time.*

## Replacement of the Cathedral Stairs

Replacement of the front stairs is scheduled to begin the first part of July 2023. This will be an enormous undertaking and will cause some inconvenience to our parishioners.

- The front steps and the elevator will be unavailable for use during the entire project.
- The only entrance to the Cathedral will be the stairs located on the East and West side of the building.
- The restrooms will be closed off, however there is one available near the day chapel.
- There will be no coffee hour and the parish hall will be closed.
- The only access to the choir loft will be via the stairs.
- For those who cannot use the stairs the chair located at the entrance to the day chapel will be the only handicap access.

The question as to ADA access during construction is answered: The ADA does not apply to religious organizations and private clubs.
