This adoration will also be live streamed for parishioners on You Tube—St Francis de sales Cathedral Bakercity for those who would like to spend time with Jesus but are not able to come to the church. Replacement of the Cathedral Stairs

Replacement of the front stairs is scheduled to begin the first part of July 2023. This will be an enormous undertaking and will cause some inconvenience to our parishioners.

- The front steps and the elevator will be unavailable for use during the entire project.
- The only entrance to the Cathedral will be the stairs located on the East and West side of the building.
- The restrooms will be closed off, however there is one available near the day chapel.
- The Parish Hall will be closed—coffee hour will be held outside on the lawn.
- The only access to the choir loft will be via the stairs.
- For those who cannot use the stairs the chair located at the entrance to the day chapel will be the only handicap access.

The question as to ADA access during construction is answered: The ADA does not apply to religious organizations and private clubs.
