MINISTRIES AND ROLES WITHIN THE MASS

The significance of Baptism is so much more than simply taking away original sin and allowing us to participate in the celebration of the Eucharist. The second Vatican Council tells us that participation in the liturgy is the **right and duty** of all the baptized. Some who are Baptized are called to be priests and are privileged to preside over the sacred mysteries, explaining God's Word and feeding God's people on the body and blood of Christ. It is important to understand that the celebration of the liturgy is **not** just the responsibility of the pastor, **pastors need the help** of their people, the ones who are serious about living out their baptismal right and responsibility to worship.

We as the laity need to understand that part of our duty to the liturgy is to accept some responsibility for the liturgy. **How can we the laity do that? There are many ways we can participate in the liturgy: acolytes, altar servers, extraordinary ministers of Holy Communion, choir members, lectors, sacristans, and ushers.**

Our parish needs your help in serving in anyone of these roles. We realize that **not all members of our parish community have the time, energy, strength or ability to serve in these roles, please take some time to pray and think about what plan God has for you.**

I you have any questions please talk to Father or stop by the office. (information from USCCB)
