Mary Magdalene

Life-Changing Joy

On July 22 we celebrate Mary Magdalene who Pope Francis elevated her memory to the status of Festivity on July 22, 2016 in order to stress the importance of this faithful disciple of Christ. In

Luke 8:1-2 she is described as being a women who had been healed of evil spirits and infirmities and became an avid follower of Christ. In the gospel of Mark 15:40 it states that she was present at the crucifixion and in Mark 15:47 Mary Magdalene and Mary the mother of Jesus saw where he was laid. Mark 16: tells of Mary Magdalene and Mary the mother of James going to the tomb with spices so that they could anoint Jesus but found the tomb empty. Chapter 16:9 tells us "Now when he rose early on the first day of the week, he appeared first to Mary Magdalene, from whom he had cast out seven demons."

Bishop Fulton Sheen had this to say: Only purity and sinlessness could welcome the all holy Son of God into the world; hence, Mary Immaculate met him at the door of the earth in the city of Bethlehem. But only a repentant sinner, who had herself risen from the grave of sin to the newness of life in God, could fittingly understand the triumph over sin. To the honor of womanhood, it must forever be said: A woman was closest t to the cross on Good Friday and first at the tomb on Easter Morning.
