# Religious Education

Religious Education classes are in full swing. Although it is the parents' responsibility to see their children are educated in the Catholic faith, from an early age we begin to instill a love of God and our Catholic faith in our children. To assist parents in teaching our children to love God and prepare for receiving the sacraments we offer Religious Education classes after the 9:30am Mass. It takes more than a one-hour class once a week to instill in them a love for their faith. Therefore, parents are encouraged to pray as a family and instill a love of God in their daily lives.

Thank you to all who volunteered to assist in helping to teach our children why loving God is such an important part of our lives.
